LAUD SPIRIT OF FOOTBALL TEAM

Annual Banquet For Players Friday Evening at Eagle Hotel.

SMITH ELECTED CAPTAIN

Quarterback Will Lead 1922 Eleven. Alumni Committee Promises Even Better Results Next Year.

Optimism for the football season of 1922, commendation for the team which represented Gettysburg College on the gridiron this year and appreciation of the work of the Alumni committee characterized the speeches delivered at the annual banquet for the team at the Eagle Hotel Friday evening. Fifty men were present, including representatives of the faculty, athletic council, alumni committee, college varsity, scrubs, academy and high school.

Announcement of the winners of the football G by Dr. Milton H. Valentine was followed by balloting for next year's captain and resulted in the election of T. P. Smith, of Bloomsburg, quarterback on the eleven this year. The captain-elect entered college last year as a Sophomore. He is a heady player and a clever open field runner.

Those eligible to vote were: Keiser, Gingerich, Gilliland, Briggs, McDowell, Emanuel, Wren, Davis, Smith, Mordan, Slaughter, Davis, Bream, Kyle, Fuhrman, Wolfe, Ryder.

Urges Clean Football

P. B. S. Rice, of Harrisburg, acted as toastmaster for the occasion and called Dr. Valentine. In his introductory remarks he expressed appreciation for the work done by the alumni committee in their conduct of the season. He urged playing clean football, declaring it is better to play that kind of football and lose than to use unsportsmanlike tactics and win. It was announced by Dr. Valentine that the year the S. A. T. C. was in control of the college did not count in the eligibility of players. This ruling affects Henry Bream and James H. McDowell who otherwise would be ruled out of the game by the four-year clause.

Team Had The Fight

Head Coach Wood paid high tribute to the fighting spirit of the team members, saying "you gave the best." (Continued on Third)

STUDENTS THROUGH HERE

Men From Mt. St. Mary's Close Route Through Gettysburg.

Forty students of Mt. St. Mary's College and preparatory school passed through Gettysburg early this morning on their way to their respective homes for the Christmas holidays.

The students were brought to Gettysburg by six local jitney men and here transferred to the Gettysburg-Harrisburg auto bus.

Several teachers also accompanied the students, who have found the route through Gettysburg to be the quickest to take them home.

LEGION MEETING

The Albert Lentz post of the American Legion will hold its regular meeting on Monday evening in the post rooms at 7:30 o'clock. In as much as a discussion of the purchase of a future home for the Legion is under consideration it is the hope that many of the men will be present at this time.

BIG CELEBRATION FOR FIRST TRAIN

Gettysburg Railroad Ran First Locomotive Here December 16, 1858.

WAS WONDER OF COUNTY

Big Parade of Military Organizations And Speeches in Square. Excursion Trains During the Day to Hanover.

Sixty-three years ago Friday, Gettysburgians saw the first railroad train run to the edge of town and in honor of its coming, the citizen's planned a great celebration for the hundreds and thousands of visitors who came here on December 16, 1858. The operation of the first train into Adams county and Gettysburg occurred just 36 years after the first train was run on any track in the United States when in 1822, the first makeshift locomotive plied between Baltimore and Ellicott City, Maryland.

The line which connected Gettysburg with Hanover Junction and Baltimore was a narrow gauge affair a little more than three and one half feet wide with light iron rails scarcely heavy enough to hold the weight of a trolley car. The line to Gettysburg was known as the "Gettysburg Railroad" and was formed by a stock company capitalized at \$30,000. Much stock was sold to residents in Gettysburg at the time. The par value of the stock was \$50 a share.

The depot or station at the time the first train came in was located just east of town near the fertilizer plant of Oyler and Spangler and it was here that all through the day great crowds from over the county swarmed to see the first engine puff its way into the station. From early in the morning until late at night, the people gathered around the first little engine with its one wooden car and viewed it as something supernatural.

The little train was kept busy all day hauling passengers to Hanover and return for a nominal sum.

SPECIAL MUSIC SUNDAY

Christmas Music Will be Rendered At Evening Services.

A service of special Christmas music will be rendered in Trinity Reformed Church Sunday evening, December 18, at seven o'clock by the choir, assisted by Miss Helen Pfeffer, Mr. and Mrs. Roy E. Zinn and William Belknap.

The following numbers have been announced by Mrs. Caroline M. Pretz, the organist and director: "There Were Shepherds", by Dudley Buck; "Voices of the Sky", by Harry Rowe Shelley; "While Shepherds Watched", by George B. Nevins which will be sung unaccompanied and Berthold Tours' number, "Sing, O Heavens", in which is introduced "Adeste Fideles".

Mrs. Zinn will sing the solo of Adam's "O, Holy Night", accompanied by the choir. Miss Pfeffer and Mrs. Zinn will sing Gonoud's duet, "Christmas Song". Franz Gruber's "Silent Night" will be rendered by a number of male voices.

The pastor, Rev. Paul R. Pontius, will give a brief address on "Angels".

PLACE IN GUIDE BOOK

Gettysburg Will Have Place In Greeter's Publication.

The hotelmen of Pennsylvania, through their organization the Pennsylvania Greeters' Association, are now planning their annual, historical, industrial and resort guide book for the State. Gettysburg has been asked to provide material for the volume and a number of pictures and historical matter will be sent the committee in charge at Harrisburg. It is planned to have the guide on the press early in January.

NOT GUILTY OF LIQUOR THEFT

Charges Against Ten Other Defendants Will Be Dropped.

After deliberating for one hour and a half, the jury in the case of George P. Martin, of Baltimore, charged with being implicated in the robbery of the Horsey Distillery, at Burkittsville, on the night of September 9, returned a verdict of not guilty in the Circuit Court at Frederick, Friday night. The case was given to the jury about 4:30 o'clock, after strong arguments had been made by attorneys for the State and the defense.

With the acquittal of Martin it was announced that the State would abandon the charges against 10 others who had been indicted in connection with the robbery of 11,000 cases of whisky at the distillery.

The chief witness for the defense was Martin himself. In his testimony he attempted to establish an alibi and accused Andrew Eck, who, he said, was a notorious "bootlegger" of Baltimore. Eck had not been mentioned in connection with the case until Martin took the stand, but his brother, Emory Eck, of Baltimore, had been indicted with Martin. The police, however, have been unable to locate Emory Eck.

Martin stated that two days before the robbery he met Andrew Eck in Baltimore. Eck told him, he said, that he would be in a position to sell him 100 cases of whisky if he met him in New Market on the night of September 9. Between 5 and 6 o'clock on the afternoon of September 9, Martin said, he was in the office of United States Commissioner Supplee in Baltimore. After leaving the Commissioner he said that he and his wife went to Washington.

He testified that he left Washington at 10 o'clock on that night and that he and his wife then went to New Market to meet Eck. Shortly after they had arrived in New Market, he said, Eck came along with five or six truck loads of whisky. He said that Eck wanted him to pay \$50 for each of the 100 cases he wished to purchase, but that he and his wife left without buying because Eck refused to take \$45 per case.

PRACTICING FOR PROGRAMS

Schools And Choirs Will Observe Christmas Event.

Children of the Sunday Schools and choirs of the churches of the county are busy now putting on the final touches to Christmas programs, the majority of which will be given next Saturday and Sunday evenings. Cantatas will feature several of the Christmas services while the usual program of recitation and songs with the delivery of gifts by Santa Claus at the conclusion will be the order in others.

MT. JOY HELD MEETING

Farm questions were discussed by the Mt. Joy Community Association at their regular meeting Friday evening. Farm Agent S. B. Shenk was present and suggested a program of work for the year. Decision will be reached as to which projects to adopt after meetings to be held in that section next week. For various reasons this was the first meeting held in several months.

CONFER IN BALTIMORE

Robert C. Miller and J. L. Williams, Esq., representing the Gettysburg-Harrisburg Transportation Company, are in Baltimore today in conference with officials of the Tidewater Lines, Incorporated, which is planning to operate through freight and passenger lines between Baltimore and Gettysburg.

TO NAME POSTMASTER

An open competitive examination will be held January 14, 1922, in Gettysburg to fill the position of postmaster at Fairfield, it has been announced. THREE SCHOOLS IN DEBATE LEAGUE

Littlestown, Arendtsville And Biglerville Will Compete For Cup.

THERE WILL BE SIX TEAMS

School That Wins Cup Three Times Becomes Owner. Banners For Other Teams. Question Not Selected.

An Adams County Inter-scholastic Debating League has been organized among three high schools of the county and during the early part of next year, teams representing these schools will meet in public debate. A handsome silver cup will be awarded the school winning the majority of its debates. The schools which have signified their willingness to enter this phase of scholastic competition are Littlestown High School, Biglerville High School and Arendtsville Vocational School.

The league has materialized from ideas suggested by various principals at the recent County Institute. Professor W. Roy Diem, of Arendtsville, brought the matter to the attention of those interested and following discussion of plans for such a league, articles of agreement were drawn up and signed by Professor Roy Knouse, of Littlestown; Professor C. C. Muehe of Biglerville and Professor W. Roy Diem of Arendtsville.

Each school will be represented by two teams, an affirmative team and a negative team. Two members and an alternate will form a team. There will be six debates, two in each town represented. In case of a tie in the cup race, a new debate on a new question will be held to determine the winner.

The cup will remain in the custody of the school winning it for a period of one year. If a school wins it three times, the cup becomes the permanent property of that school. In this way, it is hoped to perpetuate the league over a series of years. A banner will be given the runner up in the league race and ribbons will be awarded the team members winning the various debates.

The schedule as arranged follows:

January 27th
Arendtsville Affirmative at Biglerville Negative, Biglerville Affirmative at Littlestown, Negative.

February 10th
Biglerville Negative at Arendtsville, Affirmative Littlestown Negative at Biglerville, Affirmative.

February 24th
Arendtsville Negative at Littlestown, Affirmative Littlestown Affirmative at Arendtsville, Negative.

The question for debate has not yet been announced. Professor Diem is at the head of a committee investigating a suitable question that will be used in all of the debates and an announcement will be made within a week.

PLANS BIG MINSTREL SHOW

Miss Hortense Beitman, of York Springs, is in Baltimore to make arrangements to produce a minstrel show she has written. The show, which will be presented in Gettysburg next month, is entitled "The Advertising Spectacle, Made in America." Miss Beitman intends presenting the production in Hanover, York, Harrisburg, Carlisle and other towns in this section of the State.

Proceeds from the performance, Miss Beitman says will be used to purchase an ambulance for the Annie M. Warner Hospital. Miss Beitman will return to Gettysburg in a short time to select the cast.

DRAW JURYMEN

County jury commissioners G. R. Haverstock and J. T. McIntire today drew the names of 38 "sober and judicious men" to serve on the panel of the Petit Jury at the January term of the Quarter Sessions and the names of 24 men to serve on the Grand Jury at this session.

PEOPLE NOW TURN TO DECORATIONS

Mistletoe And Christmas Trees Put in Their Annual Appearance.

With their gift lists well checked, people in Gettysburg are giving their attention to the appearance of their homes and the churches. If Christmas is to be Christmas, these places must have a holiday appearance. The weather man will be depended upon to cover the outside with a blanket of white, but whether he does or not, the windows and walls can easily be made to take on a Yuletide appearance.

The usual array of holly, laurel, mistletoe and Christmas trees made their first appearance on the streets of Gettysburg during the past week and found ready buyers. The price of holly this year is unusually high and wreaths made of this green are lacking in the bright red berries which usually make a pretty contrast with the green. Laurel for streamers is plentiful and sells at 15 cents a yard.

The cedar tree for use in the home is scarce this year and the prices are high. This is said to be the result of the owners of woodlots in the mountains refusing to allow the trees to be cut down, declaring that they would burn them before allowing them to be sold.

The most popular of the interior decoration is the mistletoe and great bunches are on sale at the local dealers. According to one dealer no Gettysburg girl need go unknissed this year for a nice bunch can be purchased for 15 cents. Larger bunches can be had up to 50 cents. A little bunch, it is said, has the same effect upon the backward suitor as the larger.

Many potted plants are already on sale and nice blooming poinsettias and cyclamen can be purchased over local counters and those who do not festoon their windows may grace their parlors with growing plants.

FOR LOWER FERTILIZERS

To Cut Cost of Operation is Purpose of New Combine.

(By Associated Press)
Atlanta, Ga., Dec. 17—A merger of more than a score of fertilizer companies, chiefly located in the South, involving millions of dollars, into one great organization with headquarters at Baltimore is in process of consummation, according to the "Atlanta Constitution."

The project is said to have among other objects that of obtaining maximum efficiency in operation costs so as to lower the price of fertilizer. Plants, which it is understood, will be affected are in Atlanta, Baltimore, Charleston, S. C., Columbus, Louisville, Nashville, Savannah, and other cities. The Big Six of the great national manufacturers will not become members of the proposed association it was said.

UPHOLD SYSTEM AND WIN DEBATE

Sophomores Declare Pennsylvania's Educational System Sound Financially.

EDUCATION INVESTMENT

Debate Between Juniors and Sophomores Gives Latter Champion Debating Honors and Gold Medals.

The negative side of the question, Resolved: "That Pennsylvania's present educational program as recently passed is unsound from a financial point of view", as set forth by the three Sophomore debaters in Brua Chapel Friday evening, was in the opinion of the judges, the most logical view of the subject and they were awarded the gold medals and the champion debating honors of the College.

This debate followed as the result of the Juniors, defeating the Seniors several weeks ago, while the Sophomores downed the Freshmen. The winners of the debate Friday evening were given gold medals while the losers were awarded silver ones.

Edward Bullard, first speaker for the Juniors on the affirmative side of the question, advanced the propositions that the new regime in Harrisburg under Dr. Finegan was too expensive and required a large number of high-salaried experts. The amount of money appropriated, he said, was far more than ever before in the history of the State and was far more than the State of New Jersey, which is understood to have the best educational system east of the Mississippi River.

Mr. Bullard closed his remarks by saying that these large appropriations impose unjust taxation upon the people, more especially those in the rural districts. The other two speakers on the affirmative side spoke along the same line. These two speakers were C. L. Mogul, captain of the team, and William Ehrhart. Mr. Mogul made the point that the new educational building now being erected in Harrisburg was not needed and was a "sheer waste of funds". He also said that consolidation of schools in rural districts tended to raise the taxation of the farmer, who was least able to meet it.

Benjamin Alleman, first speaker on the negative side of the question, told in a graphic manner of the almost limitless wealth of the Common-

STOCK MARKET STRONGER

Speculative Stocks Together With Some Rails Lead Market.

(By Associated Press)
New York, Dec. 17—Trading in the stock market today was marked by heaviness in investment shares which was more than compensated for in the speculative group. Numerous stocks, comprising the secondary rails, speculative industrials, leathers, tobaccos, and chemicals rose one to two points. A few important rails, such as Delaware, Lackawanna and Western, Reading, and Lehigh Valley also were strong.

Oils opened mainly at higher levels, but reacted through pressure against Mexican Asphalt, the California group, and Middle States. Popular steels and equipments, Pullman expected, also lost ground in the later dealings. The closing was irregular. Sales totaled 375,000 shares. Bonds were dull.

WALL ST. BOMB OUTRAGE SOLVED

Arrest in Poland of Key to the Whole Story is Announced by William J. Burns.

PRISONER WILL RETURN

Long Effort of Secret Service Finally Brings Results And Further Arrests Are Now Expected.

(By Associated Press)
Washington, Dec. 17—The arrest in Warsaw of Wolfe Lindenfeld will clear up the entire mystery of the Wall street explosion of September 16, 1920, it was stated positively today by William J. Burns head of the Department of Justice Bureau of Investigation.

Lindenfeld was described by Mr. Burns as "the key to the solution of the mystery, the only man that we know in the world that knows all about this."

Mr. Burns declared that Lindenfeld himself was not implicated in the explosion, one of the world's greatest metropolitan tragedies, but was so close to the Radical element who were its perpetrators that he knew all about it. The Third Internationale, Mr. Burns said, was the moving spirit behind the plot.

Lindenfeld, according to Mr. Burns, went abroad originally on behalf of the Department of Justice to obtain information which would lead to the arrest of those responsible for the explosion. When no report was received from him Mr. Burns, Sylvester Cosgrove, one of the department's agents was sent over to find out why Lindenfeld was not sending the information. His arrest followed.

Radicals in Europe as well as in the United States. Mr. Burns said, were under surveillance by the department for connection with the explosion and, if the information to be obtained from Lindenfeld proved to be as expected, other arrests are in prospect immediately. Lindenfeld was the representative in New York before his departure aboard of Radical Polish papers and also was one of the representatives in America of Lenin and the Third Internationale.

He was recommended to the Burns Detective Agency as the man who knew most about the Wall Street explosion, Mr. Burns said, adding that careful tests had born this out.

Warsaw, Dec. 17—Plot and counter-plot reading like a chapter from fiction were involved in the search for clues in many parts of Europe by America's secret service agents which resulted in the arrest here yesterday of Wolfe Lindenfeld, alias William Lind, in connection with the Wall Street bomb explosion in New York, September 16, 1920. Lindenfeld has fully confessed, the authorities say, naming the ringleaders in the plot which, he says, was aimed at J. P. Morgan, the infernal machine exploding prematurely.

According to Sylvester Cosgrove and Paul Altendorf, who trailed Lindenfeld, the suspect has named five principals in the plot now in Europe who received \$30,000 from the Moscow Third Internationale working through its agents in New York.

Lindenfeld has declared his willingness to return to New York and turn state's evidence. The Polish authorities say he was exposed in 1906 as a Russian secret agent and fled to America and at that time, returning to Europe last spring.

Montross, Va., Dec. 17—The defense in the trial of Roger Eastlake for the murder of his wife scored a point today when letters from the nurse, charged jointly with the doctor for the murder, were admitted. The defense is trying to show that the nurse was the actual slayer and much of the morning session was taken up with hearing the objections of the prosecution to the admission of the letters.

DENY TREATY IS PLEDGE TO FIGHT

Interpretation Given While Senator Reed Assails New Agreement.

LEADERS DEFEND PACT

Reed Says Plan Might Force U. S. Into War With Either Russia or China.

Washington, Dec. 17.—While another assault on the four-power Pacific treaty was in progress yesterday in the Senate Administration spokesmen took their first notice of the Senate discussions and let it be known that they did not regard the treaty as imposing an obligation to take up arms.

No provision of the new agreement, it was declared in highest Administration circles, obligates any one of the four powers to take military measures in pursuance of decisions reached by consultations among them. It was added that any such guarantee did not, in any sense, represent the spirit of the treaty.

The officials were not willing to go further in interpreting the pact, but in response to questions they reiterated their understanding that the "region of the Pacific ocean" as the term is used in the treaty text includes the principal islands of the Japanese Empire and Australia and New Zealand as well. British spokesmen have indorsed that application of the term and have declared it to be the unanimous understanding on which the treaty was signed.

Reed Attacks Pact

The attack on the treaty in the Senate during the day was made by Senator Reed, Democrat, Missouri, who referred to the question of including Japan proper within the scope of the pact, and declared an obligation was included for protection of Japanese territorial integrity. He again characterized the arrangement as an alliance by which the United States would have little to gain and much to lose.

Senator Reed also declared the four-power plan might compel the United States to go to war against China or Russia. On this point official Administration spokesmen have insisted repeatedly that the treaty in no way affects the mainland of Asia and could not be invoked in relation to questions arising within Chinese or Russian jurisdiction.

Further than this there has been no attempt by the Administration to interpret or explain the language of the treaty, repeated queries meeting with the response that the text of the agreement speaks for itself.

Refuse to be Drawn Into Debate

The same attitude or silence has been adopted by Administration Senators, and after the three-hour attack on the four-power Pacific treaty yesterday by Senator Reed Senator Curtis, of Kansas, their party whip, announced there would be no discussion of the subject until it is formally submitted by President Harding.

Mr. Curtis' statement was made, it was understood, as an explanation for the fact that no speeches had been made in favor of the treaty and in reply to the attacks of Senator Reed and Borah, Republican, Idaho. Taken in conjunction with the party policy of the Democrats, who have decided to maintain silence, leaders on both sides predicted a minimum of debate on the new pact until after the Armament Conference is ended. At that time, it has been indicated, all of the agreements reached in the conference will be forwarded to the Capitol.

ENTERTAIN SUNDAY SCHOOL

(Communicated)

Yuletide with much of what it means to young and old, was beautifully demonstrated in the home of Mr. and Mrs. Mathews on Washington street last Thursday night. The preparation for the reception of the Sunday School was simple and imposing, to that the levity of the young did not intrude upon the conversation of the matured, for while the youngsters on the third floor listened, and perhaps, innocently shuffled their feet to the music of a graphophone, their seniors enjoyed an informal repast and a lively exchange of ideas and notions on current events. The highest point came when the youths, noiselessly, yet full of life and vigor, marched into the dining room and crowded them out. The occasion was brilliant and was not bereft of an object lesson.

KICKER COLUMN

Is the violation of one ordinance more flagrant than another? Are some of the business men of town who are violating the ordinance concerning the obstruction of the sidewalks with signs any better than the boys who violated an ordinance concerning the disturbance of the peace? Should they not be arrested and fined as the boys were or should partiality be shown and a warning be given them first?

ARGUMENTS IN GOULD DIVORCE

Ex-Wife Appeals From Dismissal by Judge in Supreme Court.

New York, Dec. 17.—Arguments on the appeal of Edith Kelly Gould from Justice Mullan's dismissal of her suit for divorce from Frank Jay Gould and his appeal from Justice Guy's order directing payment of \$5000 to Mrs. Gould for counsel fees with which to prosecute her appeal were heard yesterday by the Appellate Division of the Supreme Court.

Mr. Gould obtained a divorce in French courts in 1919, and Mrs. Gould later instituted proceedings against him in New York. Her suit was dismissed on the ground that a decree already had been rendered against her in France.

Mrs. Gould's counsel told the Appellate Division that "had it not been for the war, with the period of submarine attacks upon merchant and passenger ships, my client and her husband would have been in New York at the time that the suit for divorce was brought."

"Is it possible," he asked, "that a wronged woman may be deprived of her day in court here, where she, as a resident, was entitled to have it tried, by the fact that she had been forced to decide between appearing in defense of her good name abroad or resting, apparently condemned, by her silence?"

BIG CELEBRATION FOR FIRST TRAIN

(Continued from First)

scheduled to take place on that day. The militia of York and Hanover was met at the station by the similar military organization from Gettysburg at "7 1/4 o'clock, A. M."

Shortly afterward the Gettysburg officials of the company and the reception committee boarded the train which took them to Hanover Junction where they met the guests from Baltimore and Philadelphia. This train returned at twelve-thirty and was met at the station by a blaze of cannon.

Had Big Parade

A parade of the military organizations and citizen's was then formed at the station, under the direction of Col. J. H. McClellan, and marched to the center of the town where a reception address was delivered by the burgesses on behalf of the citizen's of Gettysburg. Following the speeches in the square, the program states that "the Chief Marshall will reform the procession, and march to dinner."

During the afternoon, excursion trains ran between Gettysburg and Hanover giving many of the citizens here their first ride on a steam propelled train.

The opening of the branch line of the Gettysburg and Harrisburg railroad into Gettysburg was celebrated on July 4, 1884. This line connected Gettysburg with Carlisle Junction.

MET IN NEW AUDITORIUM

One-Act Play Well Received By Whittier Literary Society.

The Whittier Literary Society of the Arendtsville Vocational School held its regular monthly meeting in the new auditorium of the school Friday evening.

The main number of the evening was a one-act play entitled "The Dream Man" which was well received. The cast included the following characters: Claire VanDyke, Jay Johnson and Lela Wagner.

Other numbers on the program were the reading of the Sophomore class roll, to which each member of the class responded with a few appropriate remarks. The school paper, "The Wireless," was read by Allen Robert.

The musical numbers for the entertainment were furnished by the school Glee Club and a vocal solo by Professor Edwin Rice.

Following the literary meeting the basketball team opened its season with a game with the alumni which ended in a 12-12 score which evened a five-minute extra period failed to change.

SEE CUEISTS IN ACTION

First Pocket Billiard Match Staged In Monarch Parlors.

Before an audience of nearly 100, a pocket billiard match was staged in the Monarch Billiard Parlors, Chambersburg street, Friday evening, at which time John Slaybaugh went down to defeat before the cue work of C. M. Holtzman by the score of 125-117.

In another match of the evening P. W. Erdman defeated P. Lightner by the score 125 to 114. Mr. Erdman was to have met George Rosensteel who failed to put in his appearance.

These matches will be played during the winter months and an effort will be made to locate the champion cue artist of the county. McSherrytown, it is said, has several aspirants for the title.

NURSE ASKED HOW TO KILL PERSON

Damaging Testimony Against Miss Knox in Trial of Eastlake.

WITNESS TELLS DISLIKE

Says Instrument Found Near Body Was One He Had Sharpened For Miss Knox Short Time Before.

Montross, Va., Dec. 17.—Testimony that again brought the name of Miss Knox prominently to the fore in connection with the slaying of Mrs. Eastlake was given by Albert R. Crowthers, a hydraulic engineer of Ocean City, N. J. It was Crowthers who first identified the hatchet found near the Eastlake home on the day of the murder as one he sharpened for Miss Knox on September 7. The State has rested its case and the defense has gotten under way.

Crowthers does not like Miss Knox. He took no pains to conceal his feelings.

"Do you know Miss Knox?" he was asked when he first took the stand.

"Yes, to my sorrow," was the quick rejoinder.

Wanted Hatchet Sharpened

"When Miss Knox came to me," he continued, "to have a hatchet sharpened my wife came and told me the Baltimore woman was around—" Crowthers stopped suddenly in his testimony.

"Well, go on," Eastlake's attorney said.

"I said 'Gosh, is that woman around again?'"

"Then you don't think much of this Miss Knox,"

"I never have and never will, Miss Knox came to me and asked me to sharpen a hatchet. She said she did not want a feather edge on it, but wanted a razor edge. I told her I would not sharpen any instrument to a razor edge for a member of my own family, and I would be damned if I would do it for her."

Identifies Fatal Hatchet

At this juncture Crowthers identified the hatchet with which Mrs. Eastlake is supposed to have been killed as the one which he sharpened for the Baltimore nurse.

"My wife and I were joking with Miss Knox about not having a husband, and she said, 'If it wasn't for Mrs. Eastlake I'd have one of my own. But Mrs. Eastlake won't say anything because I have something on her.' She said she was going to Colonial Beach, and if she got into trouble she told my wife she would send for me. My wife answered her if she did the Crowthers would be divorced."

"Miss Knox also asked me, 'Do you know any way to kill a person and escape?' I said, 'What, you a nurse, and don't know how to do that?'" Then I jokingly told her to use some deadly germ. She answered by saying she could obtain none.

"Miss Knox knew that I had once been a boxer and asked me to show her how to hit a person with a sand-bag or fist and deliver a 'knockout' blow. I told her to elevate her chin and I would show her, and you can bet I did."

ACCIDENT AT HALLAM

Auto Crashes Into Buggy Injuring Two.

Mr. and Mrs. Edward Dellinger, near Delroy, were seriously injured Friday evening about 6 o'clock, when the spring wagon in which they were riding was struck by a coupe driven by John Ivison, York, near the York Valley Stone and Lime Co. plant, along the Lincoln Highway.

They were brought to York by J. Kauffman, residing near the scene of the accident, and their injuries consisted of a broken collar bone, a dislocated shoulder blade and bruises about the body. Mrs. Dellinger had her nose broken and was also badly bruised about the body.

When the accident occurred, near the York Valley Stone and Lime Company, Mr. and Mrs. Dellinger were returning home from the York markets. It is said the horse was being led at the time and when Ivison came along from the rear, the collision occurred. The team was thrown against the trolley car which leaves Wrightsville at 6 p. m., which was standing, it is claimed. The auto and wagon were badly damaged, the horse was injured, and a step of the car torn off.

ADAMS—SENTZ

Miss Myrtle Sentz, daughter of Mr. and Mrs. Luther Sentz, North Queen street, Littlestown, and George Adams, son of Mr. and Mrs. Jacob Adams, South Queen street, Littlestown, were united in marriage Wednesday morning at a nuptial mass in St. Aloysius church by the Rev. W. O. O'Callaghan. The attendants were Mrs. Elsie McCall, a sister of the bridegroom and H. W. Martin. They will reside at the home of the bride's parents for the present.

HATFIELD FIRED DEFENDANT SAYS

Pulled Own Gun After Several Shots Had Been Exchanged.

Welch, W. Va., Dec. 17.—George "Buster" Pence, indicted with C. E. Lively and William Salters in connection with the killing of Sid Hatfield and Ed Chambers on the courthouse steps here August 1, took the stand in his own defense yesterday. "I was sanding at the top of the steps manhandling my nails when the shooting started," he said. "At the first crack of the gun I threw back my head and saw Sid Hatfield and his wife and Ed Chambers and his wife. Sid was shooting and Ed was reaching for his gun. It seemed as if I was looking right down into the barrel of his gun."

Fired At Sid And Chambers

"I dropped my knife in my pocket without closing it and drew my pistol and started shooting."

Pence testified that he continued shooting at Hatfield until the latter started to fall and then fired at Chambers.

The witness told the jury that he did not know Lively until after they were in jail and he heard some one call Lively by name.

Defense attorneys said yesterday that they would place Lively and Salters on the stand before they closed.

Fight Talk Heard In Advance

R. L. Tester, another defense witness, testified that Lawyer Cline, who came to Welch from Panther on a train bearing a number of witnesses for Hatfield's trial in another case, had remarked that "Hatfield will take the streets of Welch. Yes, we're too damn strong for them today."

Testimony of D. B. Watson, to the effect that he heard a man on the train say, "It will be damned lively there today," and another answer, "Yes, and damn smoky, too," was admitted over objections of the prosecution.

UPHOLD SYSTEM AND WIN DEBATE

wealth and its great resources stating that it is one of the richest states in the Union and was able to meet all new educational programs which will tend to raise its standard. He also showed that Thaddeus Setevens, who introduced several new educational ideas into the State, was vigorously opposed at first but that the people soon saw the wisdom and yielded.

Vernon Congleton and Edward Reinertz, captain of the Sophomore team, showed by figures that the appropriation for the educational system was not an excessive one in proportion to the appropriations for other branches of the State departments.

"The representatives of the people," Mr. Reinertz declared, passed the laws now in force regarding the appropriations for funds and that the department has at the present time one of the best men at its head in the field of education—Dr. Finegan." Mr. Reinertz also impressed the point that education is never an expense, but an investment in that it raises the standard of the state and wipes out illiteracy.

No new matter was allowed, under the rules of the debate, to be introduced during the rebuttals which followed.

Following the debate, P. M. Willard, a Senior, who acted as chairman, called for sealed ballots from each of the judges, Dr. C. F. Sanders, Rev. W. C. Robinson and C. R. Wolf. The vote of the judges was, two to one, in favor of the negative side.

MISTAKE KILLED EIGHT

Oil Worker Who Pumped Gasoline for Kerosene Held for Manslaughter.

Pontiac, Mich. Dec. 17.—Charged with involuntary manslaughter in connection with the deaths of Victor Weykin and seven children, after an explosion in their home near Royal Oak, Everett W. Keller, former employee of the Standard Oil Company, was held in the county jail here yesterday under bond of \$10,000. His examination was fixed for December 22.

Keller's arrest came after a Grand Jury investigation at Royal Oak yesterday, at which A. E. Ralston, district sales manager for the oil company, testified Keller admitted to him that, through mistake, he had pumped 703 gallons of gasoline into a kerosene storage tank used to supply Royal Oak householders.

According to Oakland county authorities, investigation showed the explosion and fire followed an attempt to start a kitchen stove fire with kerosene.

VESSELS CRASH OFF SEA GIRT

Six Members of United States Destroyer Crew Are Injured.

New York, Dec. 17.—Six members of the crew of the United States destroyer Graham were injured in a collision with the passenger steamship Panama off Sea Girt, N. J.

The bow of the Panama cut into the starboard side of the destroyer and held her fast. No attempt was made to draw the vessels apart before the arrival of wrecking tugs and other craft despatched from the navy yard in answer to wireless calls for assistance.

Three hours after the accident, a radio message from the Panama said that the destroyer was resting easily across her bow and that the injured were receiving medical aid from the liner's surgeon and a doctor from the steamship General G. W. Goethals, which had reached the scene of the accident.

Naval officers were awaiting a report from Commander W. F. Amsden, of the Graham, to determine responsibility for the crash, inasmuch as clear weather along the coast was reported by coast guard stations. An early radio from the destroyer stated that the Panama had rammed the naval vessel and that one of the latter's fire rooms had been flooded. Prompt closing of the water tight compartments evidently had kept the destroyer afloat and had enabled the prow of the steamship to remain wedged in her bulk.

RELIEF WORKERS TO SPEAK

Large Gathering of Jews in Philadelphia Sunday.

Louis Marshall, of New York, chairman of the American Jewish Relief Committee and Dr. Boris Bogen, director general of the Joint Distribution Committee which disburses the funds raised by American Jews, in the war ridden and famine stricken areas of eastern Europe, will be among the principal speakers at the Jewish Relief Conference to be held at the Bellevue-Stratford Sunday, December 18th.

At this conference Jews of the five states of Zone 3, of which Philadelphia is the central point, will meet to hear reports presented by eye witnesses of the suffering and destitution of their fellows abroad, and to organize in response to the appeal for relief.

The conference will open at 10.30 Sunday morning and continue throughout the day and evening. Dates for the appeal in Eastern Pennsylvania, western and southern New Jersey, Maryland, Delaware and the District of Columbia will be determined. The headquarters of the zone are in Philadelphia.

FIND REST OF CORPSE

Remains of Woman at Long Island City Are Now Complete.

New York, Dec. 17.—Discovery yesterday of part of a woman's body in a sewer in Long Island City brought from Chief Medical Examiner Norris announcement that at last he has been able to piece together the legless and unidentified corpse found in a pool of rainwater in Long Island City, October 22.

The portion found today extended from waist to knees. On November 22, a pair of legs were found in Van Courtlandt Park, many miles away.

Yesterday's discovery was made about 200 yards from the spot where the head and thorax were found. The middle section was wrapped in the same kind of oilcloth in which the first was enfolded.

Dr. Norris estimated the woman's weight at 93 pounds. He said now that all the portions had been recovered another effort would be made to determine the cause of death.

HAVE ORGANIZED THE WHITE CROSS

Methodists Plan to Care For Needy Children And Aged Folks.

In order that the work of the Methodist Episcopal Church in caring for needy children and aged folks may be expanded and made permanent, a Society known as the American White Cross has been organized in Central Pennsylvania Conference. There are 90,358 Methodists on the Church records in the Conference and each one is being asked to become a member of the New Society by the payment of at least one dollar per year membership dues. Each congregation is being canvassed between December 10th and 25th, and with the funds secured it is hoped that the maintenance costs for the Home for the Aged at Tyrone and the Home for Children at Mechanicsburg will be assured for 1922, so that the Centenary funds now being applied to that purpose may be used for permanent building work. The matter of taking care of the children of the Church is one particularly that demands bigger and better facilities immediately.

The White Cross will also give considerable assistance toward providing a minimum salary for more than seventy pastors in the sparsely settled districts in the Conference.

SHE MARRIED A GIRL

Bride Silent About Woman Who Fooled Her.

Boston, Mass., Dec. 17—Three police inspectors took into custody late Wednesday night at the State Street Trust, a nattily attired "man" who had just secured a book of blank checks. He was accompanied by his "wife."

At police headquarters, under questioning it was revealed that the "husband," who called "himself" John William Hathaway, was in reality a woman, Ethel Kimball, of Somerville. The "wife," who last month really thought she was becoming "Mrs. Hathaway" in a marriage ceremony, following a several months' wooing, is Margaret Aechtler, also of Somerville. The police learned that Miss Kimball had been masquerading as a man for two years.

The "husband," Miss Kimball, is held on a technical charge, while the police seek more evidence. Attention of the police was called to the couple Wednesday by an Allston man, who hoped to sell them an automobile. Miss Aechtler, the "wife," said she thought Miss Kimball was a man until last month, when they were married by the Rev. Robert Blair, of the Union Congregational Church. When she learned the truth, she said she chose to keep it quiet.

HAYS MAY TAKE FILM POSITION

Still Considering Offer of \$100,000 a Year From Magnates.

Washington, Dec. 17—The visit of Carl Laemmle, president of the Universal Film Company, of New York, and a group of leaders in the motion picture industry, with President Harding at the White House, revived the rumors that Postmaster General Hays has not declined the offer of the National Association of the Motion Picture Industry to head their combination at a salary of \$100,000 a year.

It was announced several days ago that the magnificent offer had been made to Mr. Hays, and this was confirmed yesterday by Mr. Laemmle, who was one of the committee of leaders in the industry to make the offer.

At the present time Mr. Hays, who is former chairman of the Republican National Committee, and said to be one of the best organizers in the country, is recuperating from an illness and the effects of injuries received in a recent railroad wreck. He is at his Indiana home, where Mrs. Hays is also ill.

The visit of these leaders in the motion picture industry, coming so closely upon the offer of the National Association of the Motion Picture Industry, has given rise to the belief in official quarters that there is a good possibility of Mr. Hays accepting the post.

MAY PUT YANKEE ON THRONE

Member of Bonaparte Family May Be Approached.

New York, Dec. 17—A. J. Chekrevi, Albanian High Commissioner at Washington, is conferring with Jerome Napoleon Bonaparte, of New York, an American member of the Bonaparte family, regarding an invitation to him to ascend the throne of Albania, vacant since William of Wied fled to Switzerland at the beginning of the World War, the New York Evening Mail said yesterday it had been informed.

Mr. Bonaparte is a descendant of Elizabeth ("Betsy") Patterson, of Baltimore, whom Jerome Bonaparte married in this country after he had been exiled from France by Napoleon Bonaparte. Jerome later became king of Westphalia and remarried in Europe when Napoleon refused to recognize his American marriage. Jerome Napoleon Bonaparte is the great grandnephew of Napoleon.

The Albanian parliament recently authorized the restoration of a king to the throne and named a commission to seek an eligible prospect. The search, first turning to England, now is reported to have been carried overseas.

BOOTH ADMIRER DEAD

Montgomery, Ala., Dec. 17—Known as the man who set up a statue to John Wilkes Booth, assassin of President Lincoln, Pink Carter was buried Thursday at his home in Troy, Ala., according to word received here yesterday.

Soon after the Civil War Carter bought the monument and attempted to erect it in the town square at Troy, but his plans were frustrated by village authorities. Not to be outdone, he put up the shaft in the yard adjoining his home and it stood there until a few months ago, when it was removed by persons whose identity was never established. The shaft bore the inscription:

"To the memory of John Wilkes Booth, for the killing of old Lincoln."

FINED 67 CENTS

Mayor of Mercer Revives Old Blue Laws.

Mercer, Pa., Dec. 17—T. C. Cochran, attorney for the Mercer county commissioners, has revived the old Pennsylvania blue laws, enacted in 1794, in an opinion given at the request of the commissioners. Recently two men were sentenced by Mayor Frank Gilbert, of Sharon, to serve 30 days each in the county jail for "drunkenness." Attorney Cochran advised the commissioners to refuse the men admission on the ground that the law of 1794 holds that 67 cents fine and 24 hours in jail is the punishment for "drunkenness." The prisoners have been held in jail for 24 hours.

FRIENDS PRAY HE WILL DIE

Berwick, Pa., Dec. 17—John Harrison, 57, of Third avenue, has been suffering from cancer of the throat for some time. His illness aroused much sympathy among his neighbors and friends, and last night they joined in a service in his home and offered fervent prayers to God that He relieve Harrison's sufferings or bring about his death, that his intense agony might end.

At two o'clock yesterday morning Harrison died and his friends believe his passing was in answer to their prayers.

MAY PUT TEETH IN IMMIGRANT BILL

Commission Would Fine Ship Companies Exceeding Quota of Alien Arrivals.

New York, Dec. 17—A bill which would fine steamship companies \$100 each for all immigrants brought to America after the quota from the country of origin has been reached under the restriction laws will be introduced in Congress by Senator Dillingham, Vermont, it was announced her yesterday by Immigration Commissioner (Husband.)

The bill, if passed, he said, would stop overnight the practice of bringing in excess immigrants. Besides the fine, it would require steamship companies to refund to the Government passage money paid by aliens and carry them back home free. The refund would be given returned foreigners by United States consuls in their home countries.

Would Curb Unscrupulous Lines "Most steamship lines play the

game square," the Commissioner said, "but some bring aliens, knowing they will be sent back. They can afford to carry the immigrant back free because of prevailing one-way rates. For example, steerage fare from Hamburg to New York is now \$103.50, compared to a pre-war rate as low as \$29 from Hamburg to Chicago.

Commissioner Husband said that until after June 30 no more immigrants could come to the United States from Africa, Atlantic Islands, Greece, Hungary, Jugo-Slavia, other Asia, other Europe, Palestine, Poland, Portugal, New Zealand, Syria, Turkey and Smyrna because the quota from these countries for the fiscal year already has been exhausted.

Only four more will be allowed to enter from Luxembourg before next July, while Australia lacks but 12 of filling its quota and Bulgaria is 26 below the limit for the year.

BANK BANDIT KILLED

Wave of Crime Shown in Many Reports.

New York, Dec. 17—The periodical "crime wave" is here again.

Reports from widely scattered cities throughout the United States show the following holdups:

New York—Bandits held up two bank messengers and escaped in a motorcar with \$17,675.45.

Atlanta—A lone bandit shot and probably fatally wounded two men and

robbed a jewelry store. He escaped. Cleveland—Two bandits held up and robbed a cattle dealer of \$5000 in a downtown garage. One bandit escaped.

St. Louis—Four automobile bandits robbed a bank messenger of \$4000 and escaped.

Pittsburgh—Robbers bound a watchman and escaped with two trucks loaded with twenty barrels of whisky.

Bath, N. Y.—Burglars took \$30 and escaped after blowing the safe of the Erie railroad station.

Long Grove, Iowa—One bandit was killed and a second injured when they attempted to get away with \$5000 in a bank robbery here.

DEPORT GIRL AT LAST

Chester, Pa., Dec. 17—Katie Kowaluk, of Galacia, Poland, a sister of Mrs. Harry Yaczulak, of this city, has been deported from Ellis Island, having been classed in the "excess quota" upon her arrival in this country.

Her sister here purchased the girl's ticket a year ago, and since then her relatives have saved to get sufficient money to insure that she would be permitted to remain. Efforts were made to have the girl released from the immigrant station, but to no avail.

Do You Know "The H.P.Q.?"

(The House Party Queen) **Successor to the College Widow Revised Edition—1921 Model**

THE author of "Petting Parties" and "Trading Wives" says "THE H. P. Q." is a lissome creature of style, smiles and sundry graces who courts invitations to house parties, dances, "proms" and social affairs that dot the college calendar.

The H. P. Q. is a pretty good looking, a nifty dresser and an all-around good fellow.

Every mother and father, especially the mother and father of a college boy, will be interested in knowing about the H. P. Q. and a recent college affair where a guest saw boys and girls intoxicated. And this in an era of prohibition.

You will want to read about the H. P. Q. in the Magazine Section of the Public Ledger, Sunday, December 18th, as well as the many other interesting and entertaining features, among which may be mentioned:

BUCKNELL NOT ON 1922 SCHEDULE

Up-State College Has Another Game For Usual November Date.

MAY DROP GETTYSBURG

Success Playing on Date Already Set For Dickinson Contest. Two Open Dates on College List.

Unless another date can be mutually agreed upon by the athletic authorities of both Bucknell and Gettysburg, the up-state team will not appear on the schedule of the Orange and Blue for next year, according to the Graduate Manager of athletics here, Doyle R. Leathers.

The athletic authorities of both schools have been in negotiations for some time on the question and as yet no agreement suitable to both parties has been arrived at.

Bucknell is holding out for a change in the date from November 11 to November 4 on which date Dickinson has already been signed to play here. The game this year was played on November 12.

The result of whether or not Bucknell should or should not be dropped from the schedule of Gettysburg calls for two opinions from the student body and has divided them on the subject. Some are just as well satisfied to see Bucknell off the schedule.

There are those on the other hand, however, who declare that Gettysburg has in former years shown Bucknell the door of defeat and that after Bucknell losses some of her present stars—chiefly Bowser—she will not be as difficult an opponent. It has only been in very recent years that Bucknell has run up large scores against Gettysburg and the supporters of continuing the game declare that in a year or two Gettysburg will again be able to fight Bucknell on even grounds.

There can be no doubt but that the Gettysburg-Bucknell game is one of the largest attractions in football in Central Pennsylvania and should Bucknell drop Gettysburg and take on a larger team, old footballers say that Bucknell would not be the drawing card she is at present.

Two home games with a possibility of a third are listed on next year's college football schedule which was announced Friday night at the banquet in the Eagle Hotel for the football men. The failure of Bucknell to carry out a tentative agreement made after the game in this year places the college authorities in a difficult position to complete the schedule satisfactorily.

One new feature of the 1922 list of games is the playing of Mt. St.

THE OLD HOME TOWN BY STANLEY

Mary's College at Hanover on November 11, Armistice Day. There is no doubt this event will draw large crowds from southern Pennsylvania towns, many of which are interested in both teams.

Two dates remain open—October 14 and November 18. It is possible Johns Hopkins may be secured for the October date, but unless Bucknell stands by a tentative agreement made for the annual game in Harrisburg November 18 that date may remain open.

There will be two home games. One with Dickinson on November 4 and Lebanon Valley, November 25.

Following is the schedule as at present arranged:

Sept. 30—Lehigh at Lehigh.
 Oct. 7—State College at State College
 Oct. 14—Johns Hopkins pending
 Oct. 21—Muhlenberg at Allentown
 Oct. 28—Villa Nova at York
 Nov. 4—Dickinson at Gettysburg
 Nov. 11—Mt. St. Mary's at Hanover
 Nov. 18—open
 Nov. 25—Lebanon Valley at Gettysburg
 Thanksgiving Day—F. and M. at Lancaster.

That Gettysburg had many opportunities to take on well known institutions in the east is shown by the requests for games received from the Army, Cornell, Fordham, Columbia, Lafayette, Rutgers and Bethany.

High School Allows Rivals Only One Point in First Half.

Outplaying their opponents, Gettysburg High school defeated Hanover High school, Friday night by the score of 21-11. The game was fast, and hard fought with a little unnecessary roughness. The Maroon and White team outpassed and outplayed their opponents during the first half, allowing them to score one point to their fifteen.

The first score was made when Aughinbaugh made a field goal a minute after the game started. He followed this closely up with another

goal. Oyler made a basket immediately afterwards, and Scott followed with two goals. Then G. Bream and Oyler each made one. Scott shot one foul out of two attempts. Hanover's only score this period was one foul out of six attempts. The Gettysburg team with excellent passing had the ball in their own territory almost the whole period.

In the second period the game tightened and Gettysburg only scored two goals when G. Bream and C. Bream each caged a basket. Hanover made their first goal about three minutes before the whistle blew when Hollinger threw the ball through the basket from a position almost under the net. He followed this by another from almost the same spot. Scott made one foul out of two attempts, C. Bream made one out of three attempts while Loss made six out of twelve attempts this period. The outstanding features of the game was the wonderful passing of the entire Gettysburg team and the guarding of Scott and C. Bream. For Hanover Bowman played a good game. The lineup: Gettysburg position Hanover Oyler Forward Loss Aughinbaugh ... Forward ... Rudisill G. Bream Center Erhart Scott Guard Bowman C. Bream Guard Shenfelder Goals: Oyler 2; Aughinbaugh 2; G. Bream 2; Scott 2; C. Bream 1; Hollinger 2.

Fouls: Scott 2 out of 4; C. Bream 1 out of 3; Loss 7 out of 18. Substitutions: Miller for Oyler; Scott for Aughinbaugh; Weikert for Scott; Buehler for Scott; Scott for Weikert; Hollinger for Rudisill; Shaffer for Erhart. Referee: Kyle (Gettysburg College.) Timekeeper: Wilson. Scorer: G. Scharf.

Former Pennsylvania Convict Gets Out Of Boston Prison.

Boston, Dec. 17.—Harry Berwin, a State prison convict, escaped yesterday by secreting himself in a packing case.

The truck on which the box was loaded passed all guards without challenge. When the case was examined at the freight terminal the fugitive's prison clothes were found. He had served two years of a sentence of seven to nine years for breaking, entering and larceny. His birthplace was given as New Brunswick, New Jersey. He had previously served two terms at the Eastern Penitentiary, Pennsylvania.

Gettysburg National Bank 1922 Christmas Club

LET'S GO CHRISTMAS SHOPPING TODAY FOR 1922

It doesn't sound sensible—but let's think about it anyhow. Christmas IS a happy time—and not one of us would sacrifice the happiness and pleasure that comes with exchanging good wishes and gifts—even though it brings with it the long search through stores for suitable remembrances AND, too often, the frenzied saving at the last moment for money with which to go shopping.

Even worse, in many instances, folks are compelled to have their Christmas purchases charged—and long after Christmas Day has come and gone, they are still paying for the giving.

That's why we invite you to shop today for next Christmas. In other words, start today to put aside a certain amount that next year shall be devoted to your gifts. There's an easy, practical way to do it.

A MERRY CHRISTMAS

We wish to our customers a most Merry Christmas and stand ready to aid you in having one by our showing of Holidays Goods.

Among the most acceptable gifts we have to offer, are our coats. Our stock, while somewhat reduced by seasonable sales, still contains many coats that will gladden the heart of the loved one you give it to, young or old.

FUR COATS

Perhaps her secret hope is for a glorious Fur Coat! Every woman knows that nothing else so much enhances beauty, as a sumptuous Fur Wrap, and nothing else gives so much charm and distinction to even a less favored face, as the soft lines and rich texture of warm furs.

36 in. Sealine with Beaver collar and cuffs at a bargain price \$225.00.

Real beauties and excellent values at lesser prices.

CHARMING CLOTH COATS

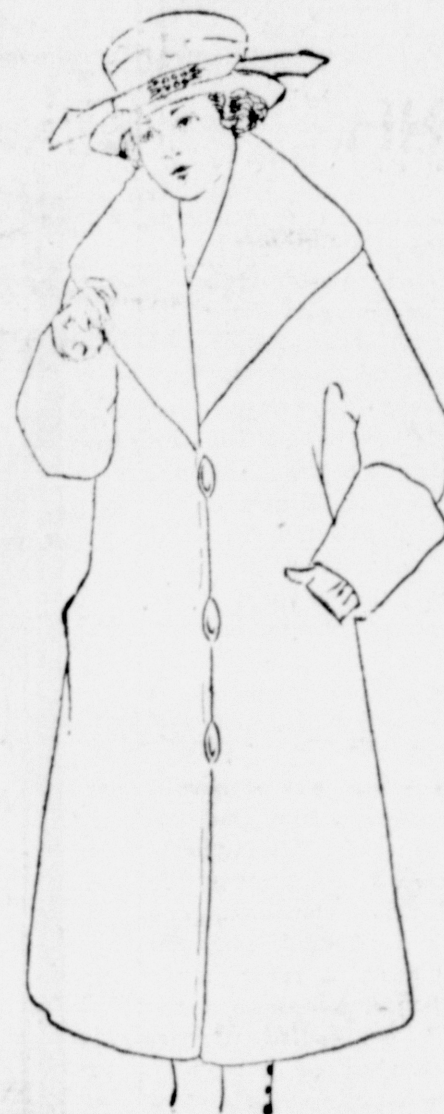

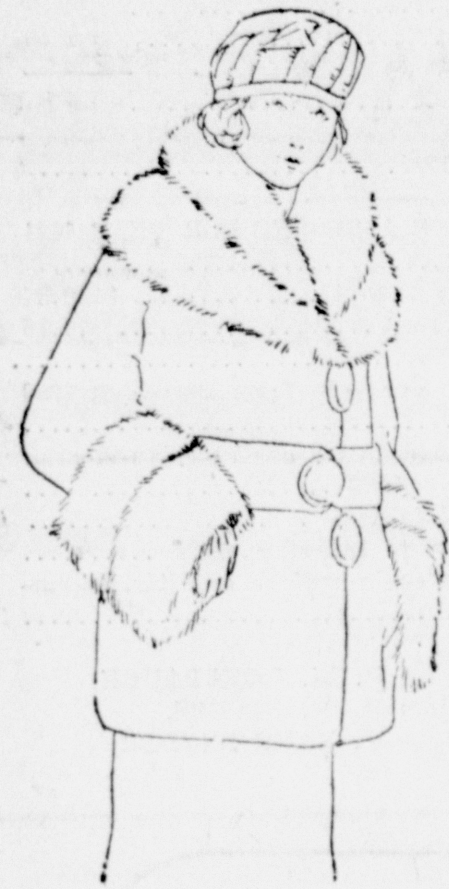

Wooltex and several other concerns have added their creations for Christmas giving.

Prunella, Bolivia, Velora, Polo and others for street and dress.

Motoring coats for the coldest days.

Fur collared coats at prices as low as \$27.00.

An exquisite line of Plush coats. 20 per cent-off all ladies', junior misses' coats for week before Christmas.

CHILDREN'S COATS

Children are always proud of new things and especially new clothes. How proud they will be of a coat that Santa gives them.

Coats suitable for boys or girls in Chin-Chilla and other cloths. They are made to stand the rough and tumble wear that children give them.

The prices on all are lower than for many past seasons. Call now, make your selections and we will hold them until Christmas. Alterations can be made afterwards.
